

Hamburger Turds

GET THIS!

1 lb. 80% hamburger meat
½ cup instant white rice
8 oz bag of Fillamook triple cheddar thick cut cheese
½ tsp garlic powder
½ tsp sage
½ tsp salt
¼ tsp pepper
1 tbsp Bob's Sauce

DO THIS!

Cook the instant rice according to the instructions and let cool.

In a bowl mix the hamburger, garlic, sage, salt, pepper, rice, and Bob's sauce. Mix well.

Take about 1/3 cup of hamburger mixture and place in your hand. Start by making a round tight ball. Using your thumbs make a deep impression in the middle of the ball. Continue until you have cup shaped of the hamburger mixture.

In the cup of the hamburger place 3 to 4 tbsp of cheese. Pack it in the middle tightly. Close the hamburger over the cheese. Roll into a oblong shape ball with no cheese showing and no seams in the hamburger. Repeat making as many of the turds you can.

Heat the oven to 400°F. Place all the turds on a foil covered oven pan. Place in oven and cook until the cheese just starts to ooze out (about 15 to 20 minutes).

Serve with more Bob's sauce on top.
